

Expense Policy

Meals

Meals are reimbursed up to USD 40 per day. Alcohol is not reimbursable. Itemised receipts are required for any single expense above USD 15.

Submission deadline

Expense claims must be submitted in the Reimburse portal within 30 days of the expense date. Claims submitted later than 30 days are rejected unless your director approves an exception.

Approval

Claims above USD 500 need approval from a department head in addition to your line manager. Claims are paid with the next monthly payroll.
